MEMORANDUM FOR CHAIRMAN, SECURITY COMMITTEE

SUBJECT: Security Policy on Travel and Assignment of Personnel with
Access to Sensitive Compartmented Information (SCI)

1. On 26 February 1974 the Security Committee agreed to establish an ad hoc working group for the purpose of establishing new USIB policies pertaining to the assignment and travel restrictions of personnel with access to SCI. To date no new policies have been promulgated.
2. Within DoD we have found the present policies to be ineffective and cumbersome as well as time consuming. This is to inform you that DIA proposes to abolish the present Duty and Travel Restriction Program within DoD (less NSA). In its place we intend to emphasize the use of Defensive Security Briefings.
3. This policy will be implemented 1 January 1976.
